# KNOX COUNTY ELEMENTARY

Pre K - 6

International Baccalaureate Participant

Leader In Me Lighthouse School

## THE ENVIRONMENT

### INTERNATIONAL BACCALAURETE

Cultural standards are infused into our curriculum. These cultural standards are internationally accepted and infused into all IB schools. Students learn to love exploration, value diversity, seek adventure.

### LEADER IN ME

Sean Convey coined the 7 Habits of a happy kids. Those habits are infused into the days of the children at our school to develop healthy leaders.

### CREATE

The creative space our school offers allows for students to explore their artistic side through plays, group art pieces and music infused lesson. Creativity is encouraged through technology and enrichment with our robotics club and other student led organizations.

## INVOLVEMENT

### ● STUDNET

We encourage your students to become leaders. We offer many student led opportunities for learning and growth. Students take ownership of their learning while loving every minute of it.

### ● FAMILY

We love family and community involvement in our school environment. This allows for students to feel support and see examples. We encourage community involvement throughout the school day with classroom help or after school during events.

**“Kindness is the language the blind can see and the deaf can hear”**

- Mark Twain -
